Just Giving for Lepra

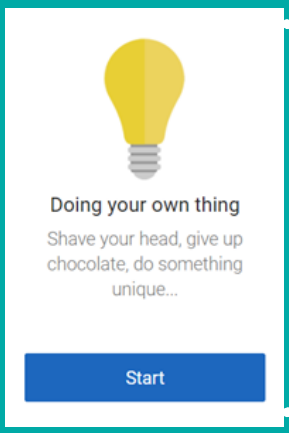
1

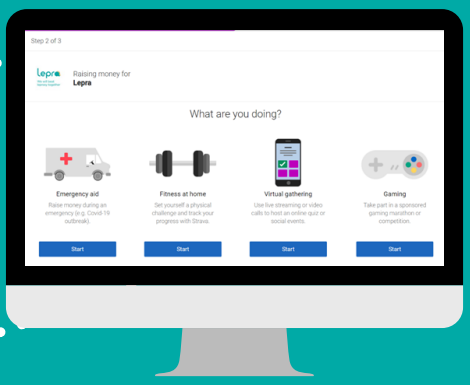
Visit www.justgiving.com/lepra

click **Fundraise for us**

log in or sign up to create a new account

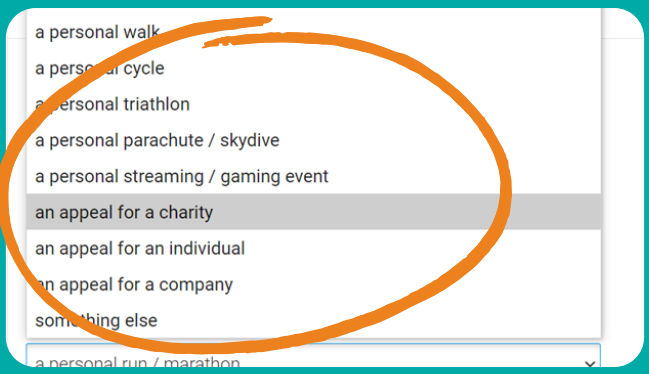
2





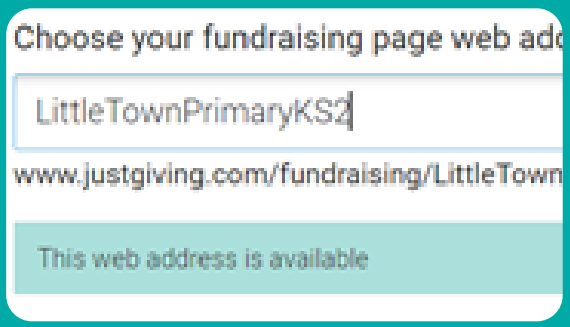
Choose:
'Doing your own thing'

3



Choose:
'an appeal for a charity'

4



Enter your fundraising page URL.
You can make this really identifiable to you and your school

5

Create your page

click create your page

Edit your page using the menu in the top left corner.
You may wish to add your school logo!

6

Add to your Just Giving story
by sharing a bit more information about the fundraising challenge your school is taking on.

We've put together a short paragraph for you to use if you'd like to.

"After reading Maria's Island, Key Stage 2 have been working with international charity Lepra to explore the work being done right now to beat leprosy, a disease that is still destroying lives. Due to fear and lack of knowledge, there are over 3 million people across the world living with undiagnosed leprosy and every day the disease causes more damage to their health, livelihood and future. Through raising awareness, prevention, treatment and follow-up, we support people so that they can have normal lives. Lepra is working in India, Bangladesh and Zimbabwe supporting some of the most vulnerable members of society.

Students have developed their own exciting fundraising plans and will be taking on a range of challenges to help raise funds for more early diagnosis, treatment and rehabilitation for those affected by the disease. These include:

- Asking family and friends for an online donation
- Doing some jobs around home; chore, car washing, looking after pets, gardening
- Doing something sponsored - tech free day!
- Organising an online activity - virtual quiz, virtual concert...
- Getting active and doing a run / cycle / bounce / skip / swim

We do hope you will be able to support this project and would like to thank you in advance for helping to give hope back people who are desperate for Lepra's help. For more about the people's lives you are helping to transform, please visit www.lepra.org.uk"

Be sure to change the opening line to reflect which Key Stage is taking on the fundraising challenge!
